GOVERNMENT OF INDIA
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
LOK SABHA

UNSTARRED QUESTION NO:1613
ANSWERED ON:09.12.2015
Campus Placement in ITIs
Chandel Kunwar Pushpendra Singh

Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

(a) whether any decline in campus placement in Industrial Training Institutes (ITIs) has been registered; and

(b) if so, the reasons therefor and the corrective measures being taken by the Government for cent percent campus placement ?

Answer

(a) A mid-term tracer study was conducted under the World Bank assisted Vocational Training Improvement Project to measure labour market performance of graduates passed out from Government ITIs. Based on this study, conducted in 2011-12, 60% of project ITIs' pass-outs find employment within one year of finishing training, as compared to baseline of 32% conducted in Year 2006-07.

(b) A Training, Counseling & Placement Cell has been set up in each Government ITI to facilitate placement to the trainees. Also, a Placement Module has been hosted on www.ncvtmis.gov.in to facilitate placement of trainees of Government & Private ITIs in the industries.
